

# LINHAI RUSTLER ATV

The Linhai 300 quad bike is the perfect entry level quad, available in 2x4 and 4x4. Its lightweight and automatic transmission makes it easy to use, a blast to ride, yet with the racks and hitch, still capable of helping out with the chores - the perfect run around for the farm, beach or game reserve.

Lin Hai's Rustler 400 IRS quad bike is the perfect all around quad. With a combination of modern styling, trail proven technology and the deluxe features of the "SE" package, it is tough to beat. The powerful engine is mated to a fully automatic CVT Transmission featuring High and Low range with Reverse. When the trail gets rough, the Independent Rear suspension and on demand 4wd is there to smooth out the ride and get you through with confidence.
